RE: **Olive Branch-Stonelick Rd Closure at Old SR 74  
In conjunction with the Old SR 74 Widening Project  
Union Township**

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Olive Branch-Stonelick Road at Old SR 74, and that it is impractical to construct a temporary highway/culvert and that a temporary detour is required.

Therefore, I have scheduled a road closure on Olive Branch-Stonelick Road at Old SR 74. The closure is located just west of Olive Branch-Stonelick Road to Amelia-Olive Branch Road on Old SR 74. Old SR 74 will not be accessible from Olive Branch-Stonelick Road. **The road will be closed to through traffic on Wednesday, 3-8-2017 through Friday 5-5-2017.** The length of detour is approximately 5.64 miles or 29,799 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

Sincerely,

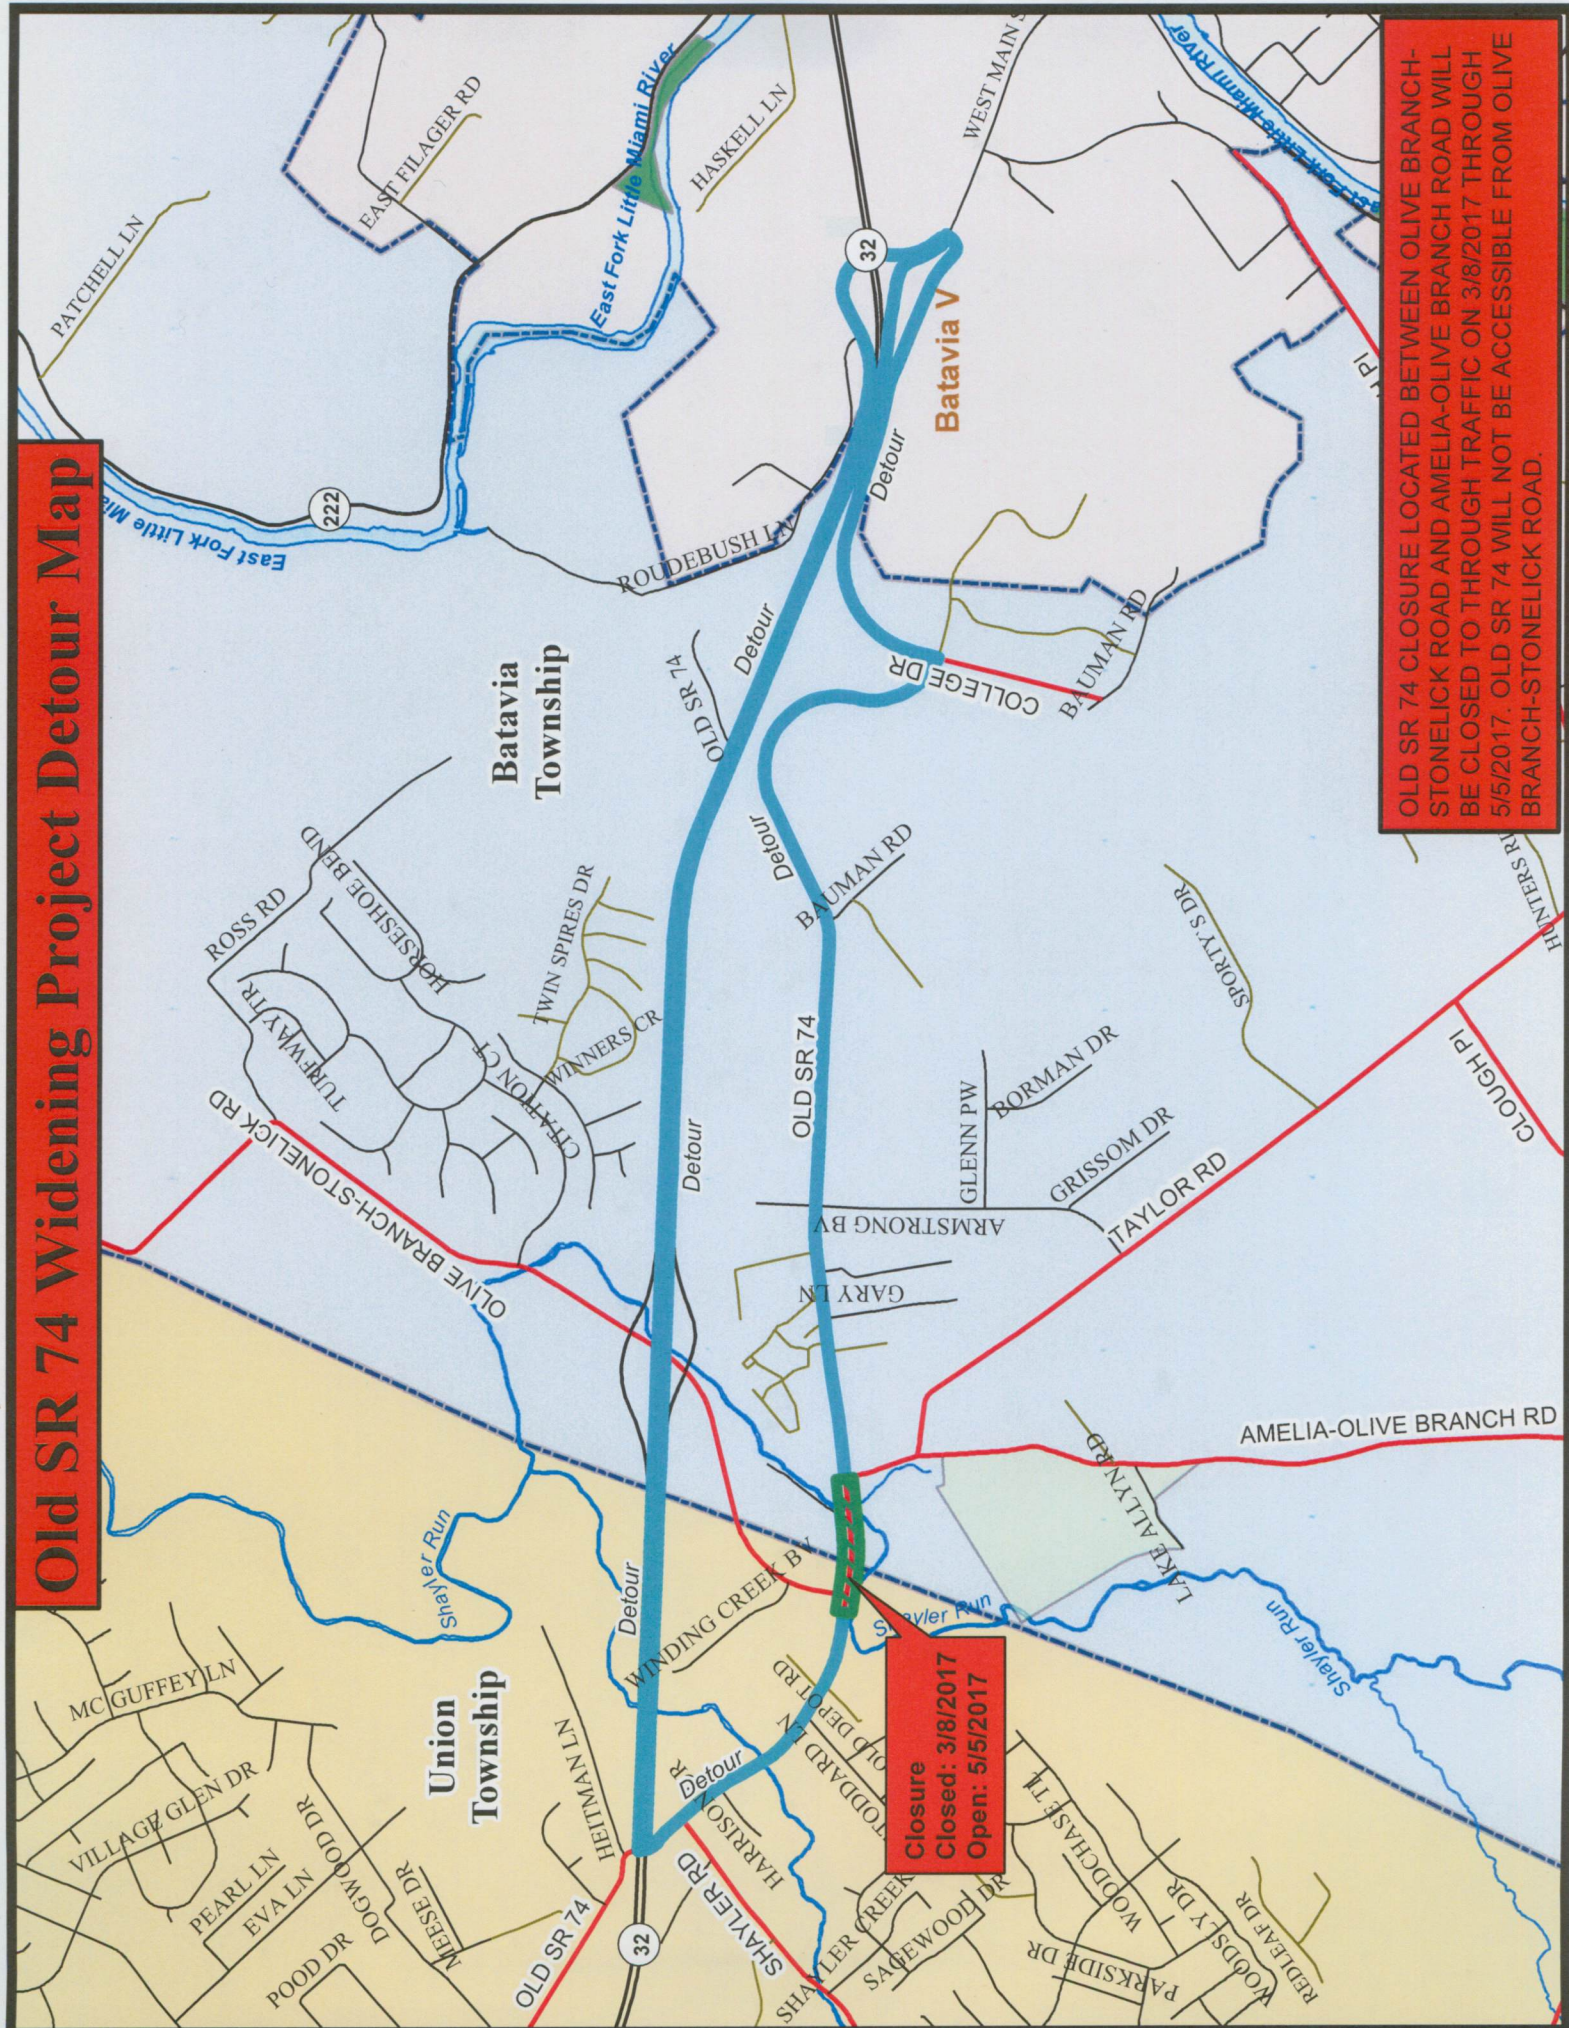

Patrick Manger, P.E., P.S.  
Clermont County Engineer
