RE: Forest Trail Culvert Replacement Project /TID Aicholtz Rd Connector Project
Union Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary for the Forest Trail Culvert Replacement Project, which is associated with the Transportation Improvement District's project, the Aicholtz Road Connector, and that it is impractical to construct a temporary highway/culvert and that a temporary detour is required.

Therefore, I have scheduled a road closure on Forest Trail. The closure is located approximately 140' South of Old SR 74 on Forest Trail. The road will be closed to through traffic **on Monday 1/30/2017 through Friday 03/24/2017**. The length of detour is approximately 1.51 miles or 7,984 feet. The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

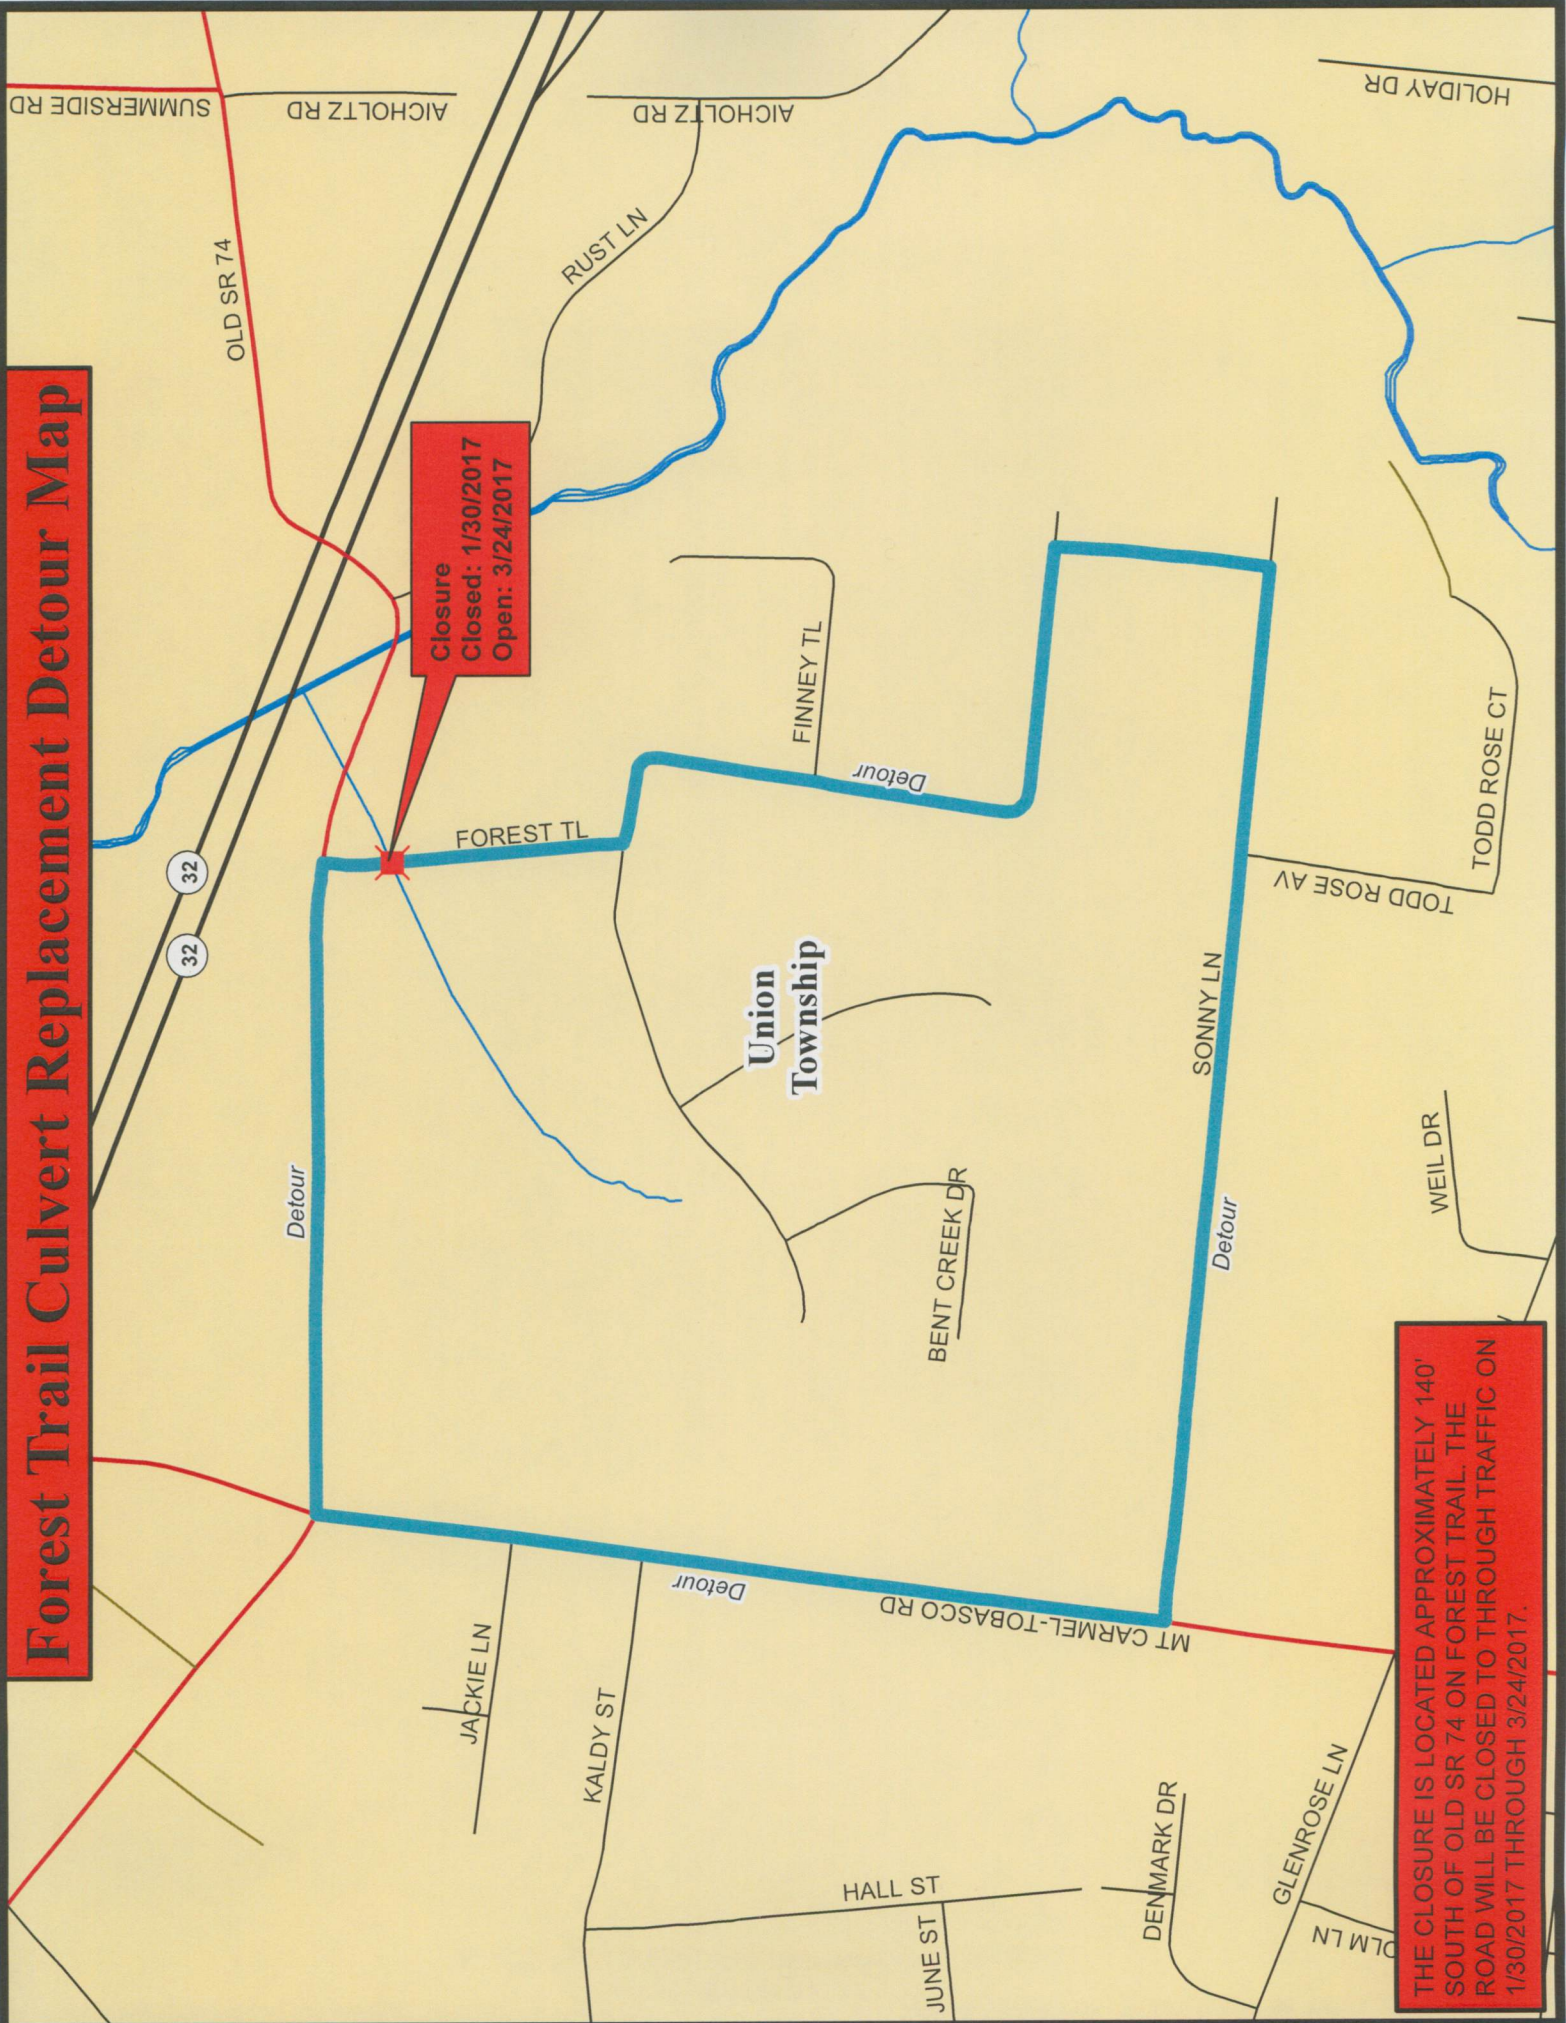

Sincerely,

Patrick Manger, P.E., P.S.
Clermont County Engineer
