RE: ***Amelia-Olive Branch Road Closure in Conjunction with Old SR 74 Widening Project***  
Batavia Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary for Amelia-Olive Branch Road, for the Old SR 74 Widening Project, and that it is impractical to construct a temporary highway/culvert and that a temporary detour is required.

Therefore, I have scheduled a road closure on Amelia Olive Branch Road. Amelia-Olive Branch Road closure located between Old SR 74 and Taylor Road will **be closed on Monday, 4/24/2017 through Friday, 5/5/2017**. The closure located on Old SR 74 West of Olive Branch-Stonelick Road to Amelia-Olive Branch Road will remain closed to through traffic through Friday 5/5/2017. Old SR 74 will not be accessible from Olive Branch-Stonelick Road or Amelia Olive-Branch Road. The length of detour is approximately 6.23 miles or 32,877 feet. The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

Sincerely,

Patrick Manger, P.E., P.S.  
Clermont County Engineer
