RE: **Old SR 74 Road Closure in Conjunction with the Old SR 74 Project**  
Batavia Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Old SR 74 in conjunction with the Old SR 74 Widening Project, and that it is impractical to construct a temporary highway/culvert and that a temporary detour is required.

Therefore, I have scheduled a road closure on Old SR 74 between Amelia-Olive Branch and Armstrong Boulevard. The road will **be closed to through traffic on Monday, 5-8-2017 through Friday, 11-03-2017**. The length of detour is approximately 1.14 miles or 6,031 feet. The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

Sincerely,

Patrick Manger, P.E., P.S.  
Clermont County Engineer
