RE: Half Acre Road at SR 276 Roadway Improvement Project Closure  
Williamsburg Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary for the Half Acre Road at SR 276 Roadway Improvement Project, and that it is impractical to construct a temporary highway/culvert and that a temporary detour is required.

Therefore, I have scheduled a road closure on Half Acre Road. The closure is located between SR 32 and SR 276 on Half Acre Road. The road will **be closed to through traffic on Monday 7-10-2017 through Tuesday 8-1-2017**. The length of detour is approximately 4.55 miles or 24,044 feet. The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. This project is associated with the Transportation Improvement District's West Clermont project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

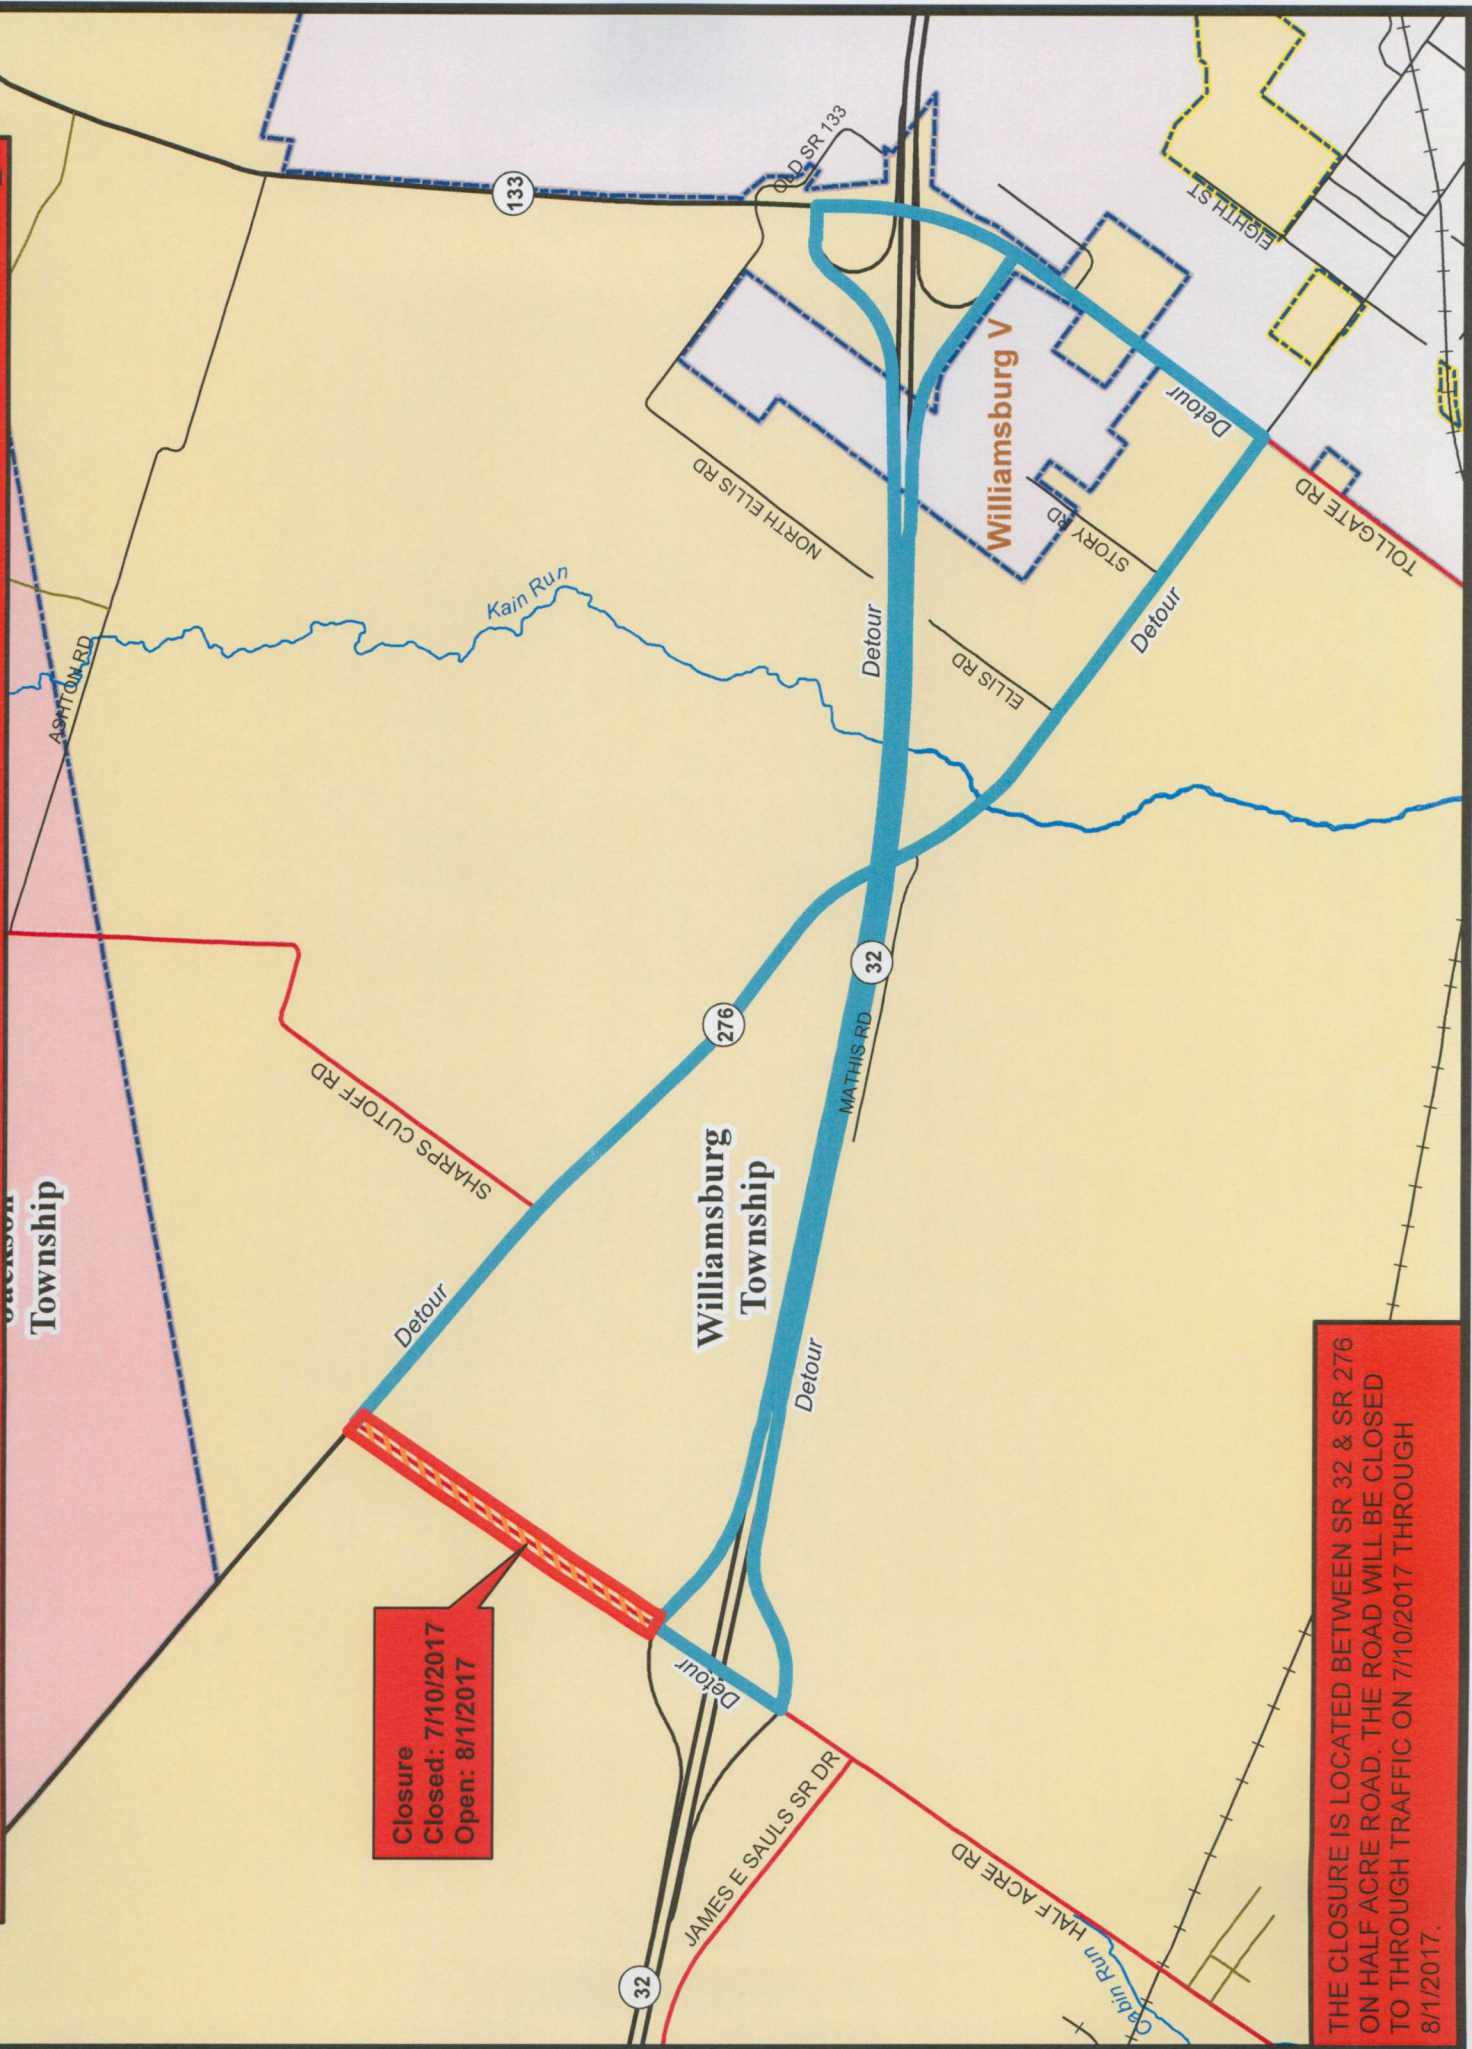

Sincerely,

Patrick Manger, P.E., P.S.  
Clermont County Engineer
