

BRANCH HILL - GUINEA WIDENING: PHASE 2

Expected timing: July 9 through August 15

Permissible traffic movements during this phase will be:

Right turn only
from Branch Hill-Guinea Pike to Cook Road

Left turn only
from Cook Road to Branch Hill-Guinea Pike

During Phase 2, work will take place on the southern end of Branch Hill-Guinea Pike and Weber Road.

A detour will be put into place for through traffic. Access within the project area will be maintained for local property owners only.
