RE: Eastgate South Drive Roundabout Project  
Union Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary for the Eastgate South Drive Roundabout Project, and that it is impractical to construct a temporary highway/culvert and that a temporary detour is required.

Therefore, I have scheduled a road closure on Eastgate South Drive. **The Eastgate South Roundabout will be closed to through traffic on 4/18/2016 through 4/29/2016.** Access to local businesses will be maintained. The length of detour is approximately 1.51 miles or 7,978 feet. The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

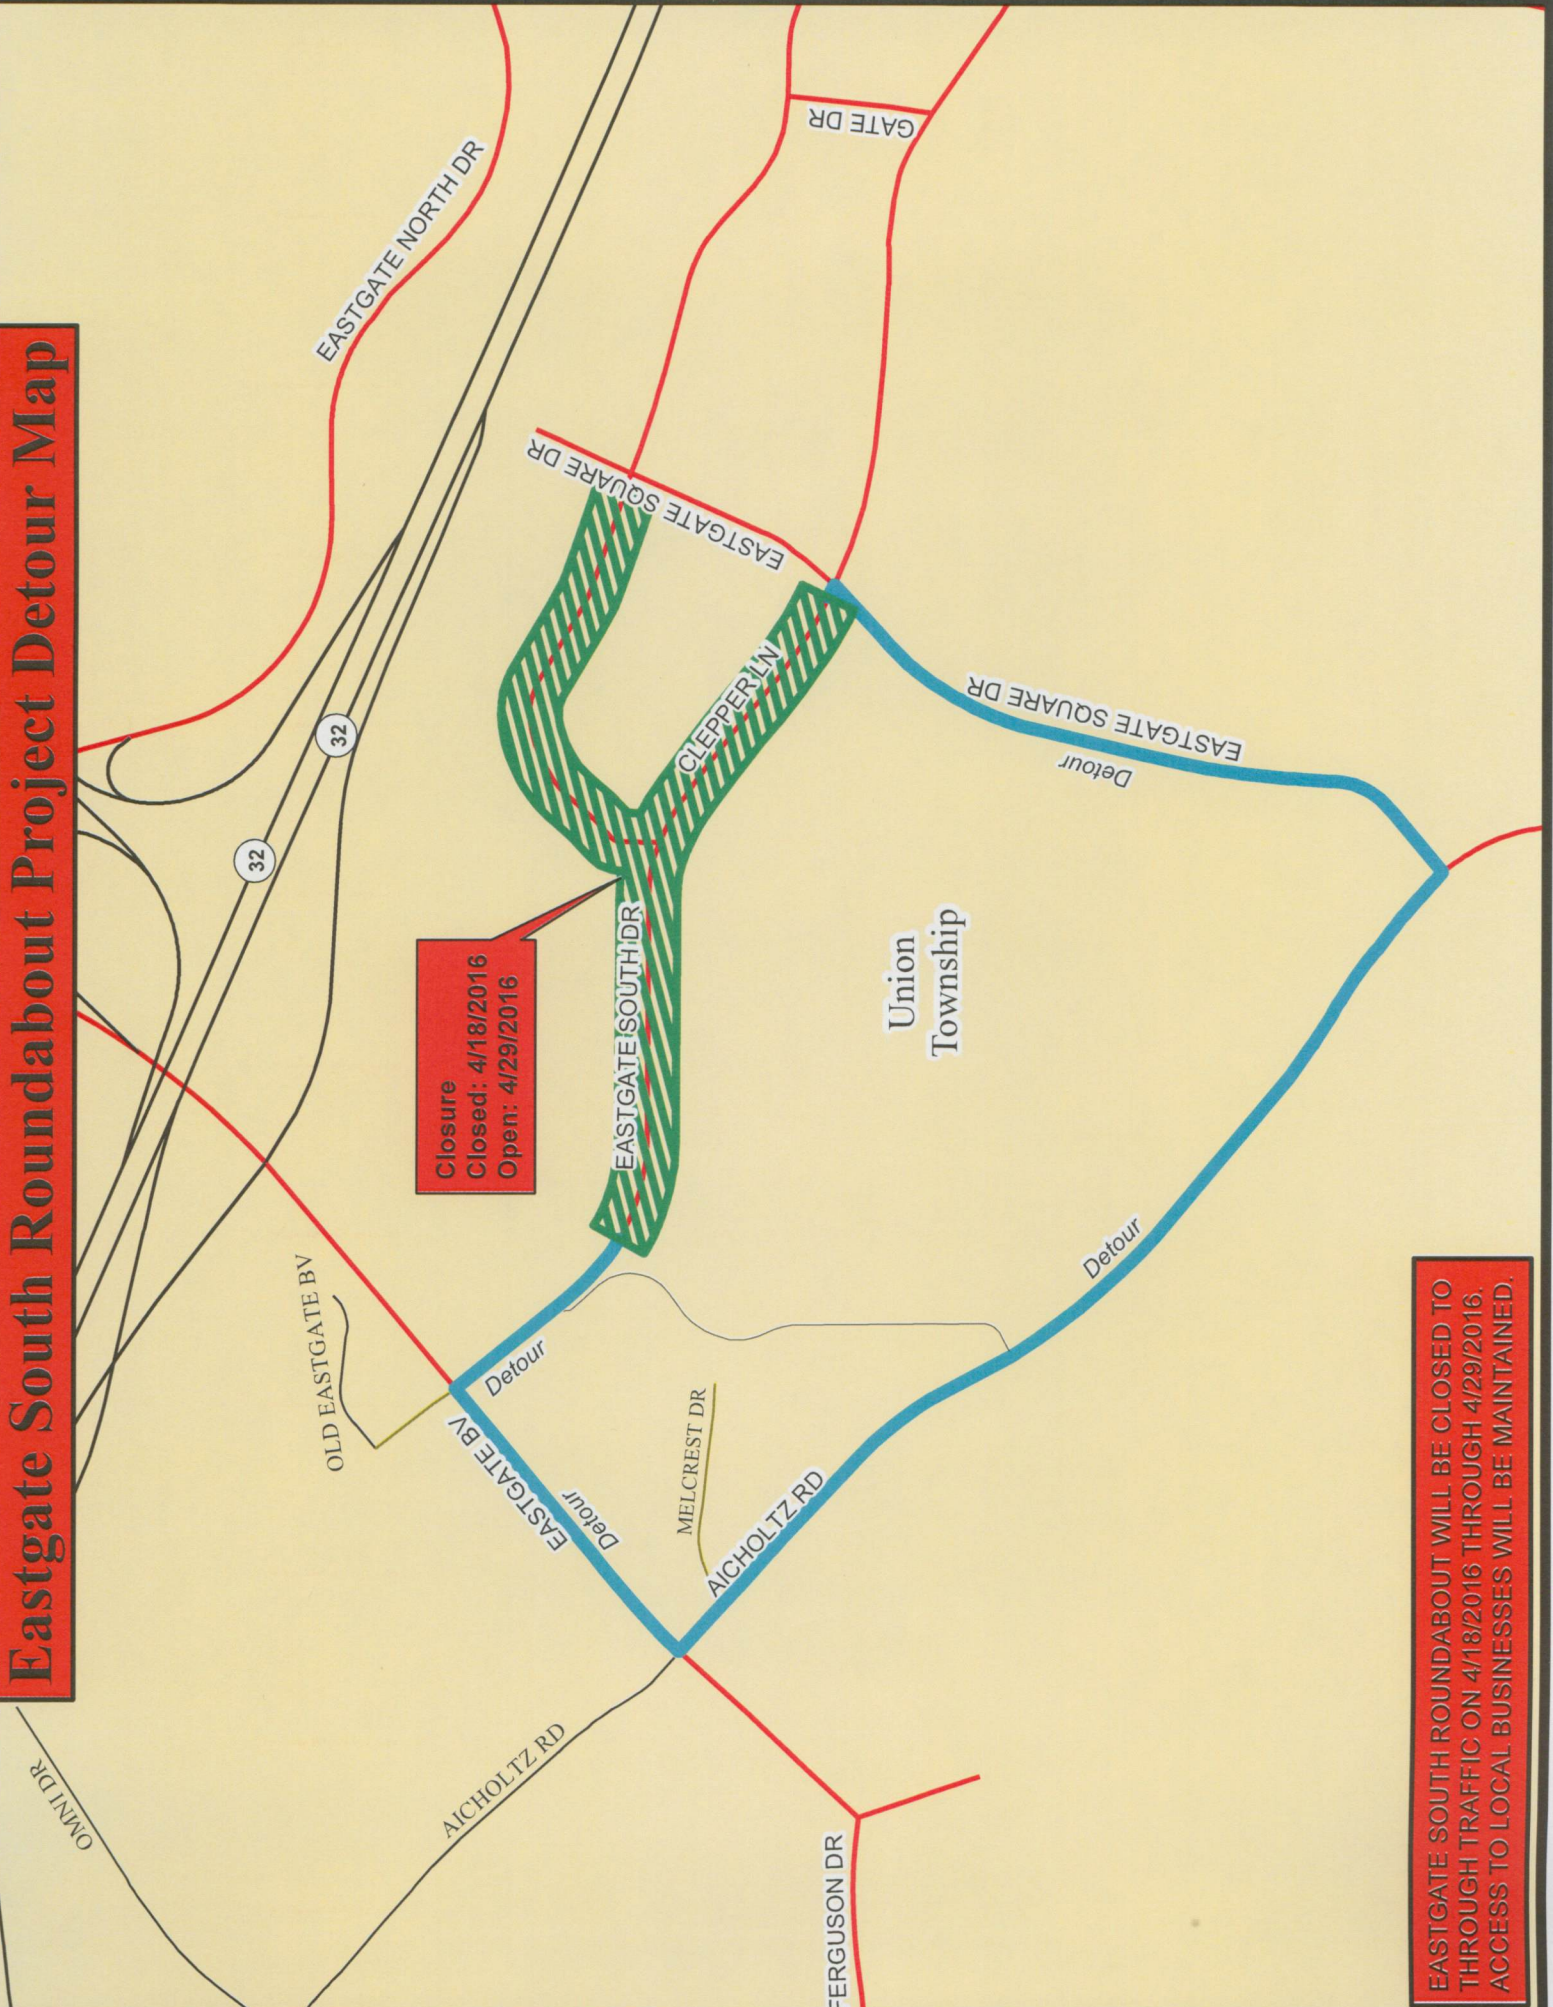

Sincerely,

Patrick Manger, P.E., P.S.  
Clermont County Engineer
